

# Have You Ever Needed Someone So Bad

Def Leppard

Here I am, I'm in a warm bed again  
It's just a game I just can't win  
There you are breathin' soft on my skin, yeah.  
Still you won't let me in,  
So come on

[Bridge:]

Why save your kisses for a rainy day  
Baby let the moment take your heart away

[Chorus:]

Have you ever needed someone so bad, yeah  
Have you ever wanted someone  
You just couldn't have  
Did you ever try so hard  
That your world just fell apart  
Have you ever needed someone so bad

And you're the girl I gotta have  
I gotta have you baby, yeah.

There you go, midnight promises again, yeah  
But they're broken by the dawn  
You wanna go further, faster every day, baby  
But in the morning you'll be gone  
And I'm alone

[Bridge]

[Chorus]

Every dream I dream is like  
Some kinda rash 'n' reckless scene  
To give out such crazy love  
You must be some kinda drug  
And if my time don't ever come  
For me you're still the one  
Damned if I don't, damned if I do  
I gotta get a fix on you

[Chorus:]

Have you ever needed someone so bad, yeah  
Have you ever wanted someone  
You just couldn't have  
Did you ever try so hard  
That your world just fell apart  
Have you ever needed someone so bad, so bad

[Chorus:]

Have you ever wanted someone (have you ever wanted someone), yeah  
Did you ever try so hard  
That your world just fell apart  
Have you ever needed someone so bad

And to the girl I gotta have  
I gotta have you, baby, yeah, yeah

It's a game I just can't win, oh

Have you ever needed someone so bad, yeah

Have you ever wanted someone (have you ever wanted someone)

You just can't have

Did you ever try so hard
