Now

Def Leppard

I wanna know you better Let's spend some time together I wanna be what's on your mind Look in my eyes, they're calling I need your love to fall in If you could just give me a sign I can't get over baby I can't get over now I can't get over this feeling I feel Now, right now If the fire inside you Feels like I feel now Right now Deep inside of me Deep inside of me I'm tired of make believin' I'm lost and barely breathing I'm on the ceiling, help me down, yeah, yeah So stop my heart from aching I'll be the risk you're taking And I won't rest until you're mine, oh I wanna show you baby I wanna show you now I wanna tell ya this feeling I feel Now, right now If the fire inside you Feels like I feel now Right now If it's love you're craving It's a love worth saving Can't get over this feeling I feel now, yeah Now, right now Let the fire inside you Burn like I do Now, right now If there's a love you're craving It's a love worth saving Deep inside of me Deep inside, deep inside of me Deep inside, deep inside of me Deep inside of me Deep inside
