

# Ring of Fire

Def Leppard

Fun girl, you tempted me, a feast of sparks  
in the night is what I need  
Ooh I'm a-ready to roar, and I'm a-ready for more  
And I'm a-ready to burn like the light into the dawn

Oh I gotta see the fire in me, turning into ecstasy  
So stick around and settle down enjoy the mystery  
A voice in the wilderness, there's somethin' in the air  
A little love won't bring your precious self a secret flame

Fun girl  
(Are you ready, ready for fun girl?)  
Feels like fire  
(Are you ready, ready for fun girl?)  
Ring of fire

I left, so indiscreet, you're stealing all of the fire  
electric me  
I'm staring into the sun, I'm staring into a gun  
I'm staring at the sky, turn it out and let it burn

[Repeat Bridge]

[Repeat Chorus]

Fun girl, you tempted me, ya cut me up  
Like a knife so tenderly  
Oh I gotta see the fire in me, burning up my ecstasy  
A little love won't bring your precious self a secret flame.  
Oh no

[Repeat Chorus]

Yeah yeah yeah yeah  
Oh
