

## Work It Out

Def Leppard

Day and night black and white  
You take it all for granted  
I'm the one who turns you on

When you don't know where you belong  
And nothin' seems to matter  
I'm the one who's holding on

It's alright to be wrong  
All we need's a little time  
But nothing here can last that long

We show the world a brand new face  
It's taken us all this time  
All this time  
All of this doubt  
We get to work it out  
All of this doubt  
We get to work it out

Yesterday lost your way  
Still looking for an answer  
I'm the one who holds the key

When you don't know where you belong  
And nothing seems to matter  
I'll unlock this mystery

[Repeat Chorus]

[Guitar Solo]

[Repeat Chorus]

All of this doubt  
Day and night - Black and White  
Take it all for granted  
We get to work it out  
I'm the one who turns you on  
Turns you on - Turns you on  
All of this doubt

When you don't know where you belong  
And nothin' seems to matter  
We get to work it out  
I'm the one who's holdin' on  
Holdin' on - Holdin' on
