Work It Out

Def Leppard

Day and night black and white You take it all for granted I'm the one who turns you on

When you don't know where you belong And nothin' seems to matter I'm the one who's holding on

It's alright to be wrong All we need's a little time But nothing here can last that long

We show the world a brand new face It's taken us all this time All this time All of this doubt We get to work it out All of this doubt We get to work it out

Yesterday lost your way Still looking for an answer I'm the one who holds the key

When you don't know where you belong And nothing seems to matter I'll unlock this mystery

[Repeat Chorus]

[Guitar Solo]

[Repeat Chorus]

All of this doubt Day and night - Black and White Take it all for granted We get to work it out I'm the one who turns you on Turns you on - Turns you on All of this doubt

When you don't know where you belong And nothin' seems to matter We get to work it out I'm the one who's holdin' on Holdin' on - Holdin' on
