[interlude]

Yeah, yo, Def Squad, Full Cooperation on this one yo, total concentration

Wassup wit these cats out there?, I don't think they figured, son I don't think they hear you son, ha ha

[Keith Murray]

Now first but not least you will respect Keith, lay a nigga down Like a doo-rag in some grease, you must be crazy tryin to play me I been dedicated since King Tut the third baby

Lyrical chemist rhyme minister, diminished you for the benefit Then continue to kill shit for the fuck of it, I see y'all been writi ${\tt n}$

I'm excitin when live on stage, when receiting in lighting, frightening

lightning

Throwin thunder in chain, when i first came, I gave birth to a million MC's

In the game, who should all carry my last name

And I'm Gonna Get You Sucka like Damon Wayans, and fame like Jermaine Bring pain and novacaine, okay y'all lil monkeys want to play?

My Squadron brings the art of war the correct way (OKAY!)

Chorus 2x

Chorus

I need your full cooperation and total attention

There's a few things I'd like to mention, these rappers out here swea r they're

So appealing I, step to your business and hurt your feelings [Erick Sermon]

Okay, well thinkin it's okay to rhyme that way, you'll be P.O.W., M.I .A.

And I'm seven steps ahead of you, five from eternity

An all that shit you kick just don't concern me, I separate the dead from

The chump, ask a nigga blunt, "Yo, how many lumps you want?"
So flavorous you could taste it, so hardcore I wrote this layin on th

In the basement, my style ain't no walk in the park, got mainstream M C's

Scared to rhyme after dark, an there Ain't No Half-Steppin I'm reppin like a nuclear weapon, manifestin the Immaculate Conceptio

Lyrically I rape an MC like sodomy, add tragedy, to your odessy For battle reservations call 1-900-SQUAD, frontin on us

Is like frontin on God

Chorus

[Redman]

Now when we take it there, these three niggas in the square My squad hangs out like fourhundred pounds in braziers My deathrow allines, bein signed then aligned to electric So it clear like a chair in Texas, HOT, approach wit extreme caution No horsin around when my squad abortion a sound

Our crew's like Smokey off sokey, even Little Bo Peep, your style is weak

Guard your Rollie, wit all the ice in it, I snatch the ice out and pu t a price $% \left(1\right) =\left(1\right) +\left(1\right) +\left($
