

## Coerced Into Idolatry

## Defeated Sanity

Urethra corded up  
(While) wine is infused in large quantities  
Stomach ripped open  
The look of fear as they extract your innards

Disemboweled  
An infraction seals your fate  
Bitter end  
Mocked and spat at as you die  
Servants exposed to supreme lunacy  
Arbitrarily disciplined for his amusement  
Noble temper underlying (variations)  
Determining who lives and who dies

Coerced into idolatry  
Acts of a god so grotesque, so unreal  
Mental instability  
Forming delusions of divinity

(2x)  
Rivals, killed by a series of small cuts  
Relatives, are made to watch the execution

Palace of self-indulgence  
se\*\*\*\* marionettes (arranged for) imperial entertainment  
Existing to display a bizarre carnality

Body buried into the sand  
As your head gets littered with rot  
Final thing to witness  
A giant blade slowly approaching your face

People cheering as joining in  
Infatuated with humiliation  
Unfiltered malevolence  
Part of a mindset brutalized

I take what is mine  
As I sodomize their wives before their eyes

I am a god  
My will to choose who will live and who will die
