

Psalm Of The Moribund

Defeated Sanity

Illusions Of Superiority Brutally Crushed by Those Who
Created Those Miserable Rejecting The Purity That Was
Given To Them.

Substituted By Asphalt The Creation of Babylon Man's
Impurity Infesting This World Asphyxiation Of Their Own
Host Unjustified Arrogance Leading To The End Of Her
Sufferance.

Purifying Storms Of The Innocent Flushed Down to Build
New Life A Worthy Existence On This Earth Upon The
Foundation Of Their Mangled Bodies.

CHildren Seperated From Their MOthers Screaming Human
Torsos All Will Collapse Into Disease.

Enigmas Never To Be Solved For No-one Of Flesh Will Ever
Be Judging Religion Dies Along With its Sordid
Originators.

Man Made Waste Will be Left To Rot Disfiguring Ruins Soon
Will Crumble Mother Earth Takes What Is Hers Trees Tear
Open The Concrete.

Dawn Of Lividity Daylight Uncovers Their Weakness
Starving Survivors Gorging On The Flesh of THE Deceased.
Consume The Plague Filled Meat They Will Soon Mourn Their
Own Demise.

No-one Left To Hear Psalms Of The Moribund.
