

## Verses Of Deformity

## Defeated Sanity

Immoral congregation, the ultimate sacrifice  
A demented ritual...  
Womb is ripped  
A miserable end to pregnancy  
Primitive removal of the unborn  
My own flesh and blood  
Forcibly torn from my own hands  
To serve a higher cause  
Twisted ways of salvation  
Dubious use of scriptures  
Words are twisted for their depraved intent  
Incestuous sex slave  
Bred to serve the superior  
Consecration of the chosen  
Forced into cannibalistic acts  
Strength and power increase  
Through consumption of  
A fresh infant heart  
Promises of wealth  
Seduction of the weak, moulded into useful tools  
Mere minion to carry out my dirty work  
Lowest in the hierarchy of sickness...  
Repudiating the sovereign  
Abundance of hypocrisy  
Prompting abstruse counterculture  
A cult of self-indulgence  
Open mind for abhorrence  
Legitimizing sadistic acts  
A token for spiritual disorder  
Verses of deformity  
Spectator of lunacy  
Struggling to hide my disapproval  
Victim and culprit  
In this impervious network  
Satanic elite  
Piercing eyes are upon you  
Attempting escape  
From this vicious circle  
Sworn to secrecy  
Inner turmoil never finds release  
Immense rage  
For decades of injustice  
Purifying  
A sacrilegious existence  
To end my life  
My only option to quit
