

# Fuck Them All

## Defiance

sit uponed your high horse of superiority  
dishing out convictions and your hate filled opinions  
like your anything better than a useless peice of shit  
your spiteful hatred reflects your ignorance  
passing laws and pushing for measures  
your useless opinions don't amount to shit  
when you push them on others is where you cross the line  
a line you need to be shoved back across

[Chorus:]

fuck them all  
fuck them all  
fuck them all the ain't worth shit

who the fuck do you think you are to judge peoples choices who

you think you are to judge peoples sexuallity your bible impose  
d morals  
and family values

[Chorus]
