

Fuck Them All

Defiance

sit uponed your high horse of superiority
dishing out convictions and your hate filled opinions
like your anything better than a useless peice of shit
your spiteful hatred reflects your ignorance
passing laws and pushing for measures
your useless opinions don't amount to shit
when you push them on others is where you cross the line
a line you need to be shoved back across

[Chorus:]

fuck them all
fuck them all
fuck them all the ain't worth shit

who the fuck do you think you are to judge peoples choices who
the fuck do
you think you are to judge peoples sexuallity your bible impose
d morals
and family values
don't mean a thing to me or free thinking people

[Chorus]
