

## Back to School (Mini Maggit)

Deftones

So run...  
Right...  
Right back to school  
Look back I sift through all the cliques  
Roaming the halls all year making me sick  
While everyone's out trying to make the cut  
What  
When you think you know me  
Right  
I switch it up  
Behind the walls smokin cigarettes and sippin vodka  
Hop a fence and catch a cab  
Ain't no one can stop us  
Give me a break on some other sh...  
While you act like it's everything you've got  
Push back the square  
Now that you need her  
But you don't  
So there you go  
Cuz back in school we are the leaders of it all  
So stop that... quit... all that...  
Quit  
Who ruined it?  
You did  
Now grab a notebook and a pen  
And start taking notes on me and everyone who's on the top  
You think we're on the same page  
But I know we're not  
I'll be the man, watch your backpack, pens, and pencils  
and just like Keith- I'm flippin it  
While you just keep it simple  
You just can't go on rockin' the clothes, copying the stance  
cuz really it's everything that you're not  
(chorus)  
So... transpose  
Or stop your life  
It's what you do  
Transpose  
Or stop your lies  
So run  
(So why don't you run)  
(So why don't you run)  
Right  
(Now why don't you run)  
Back to school  
(So why don;t you run)  
(So why don't you run)  
Cuz all you are - now I'm on the next page  
All you are - It's time to close the book up  
All you are  
Now I'm on the next page  
All youare  
Close the book up now  
Push back the square  
Now that you need her  
But you don't  
So there you go

Cuz back in school  
We are the leaders of all...
