So run Right Right back to school Check it Look back I sift through all the cliques Roaming' the halls all year, making me sick While everyone's out tryin to make the cut What? And when you think you know me right I switch it up Behind the walls smokin' cigarettes and sippin' vodka I profess to catch a cab, ain't no one can stop us Give me a break about some other mess What were you? Act like it's everything you got Push back the square Now that you need her but you don't So there you go Cause back in school We are the leaders of it all Stop that, quit! - All that, quit! Who ruined it? You did! Now grab a notebook and a pen Start taking notes, I'm being everyone who's on the top You think we're on the same page - but, oh we're not! I'll be the man, watch your backpack and the pencils Just like he now flippin it, why you just keep it simple? You just ca n't go wrong rocking' the clothes Coppin' the stance 'Cause really is everything that you got! Push back the square Now that you need her but you don't So there you go! Cause back in school We are the leaders of it all So Transpose Or stop your lies It's what you do Transpose Or stop your lies So run So why don't you run, so why don't you run So why don't you run back to school So why don't you run, so why don't you run All you are - Now I'm on the next page All you are - It's time to close the book up All you are - I'm on the next page All you are - Close the book up now
