

Be Quiet and Drive (Far Away)

Deftones

This town don't feel right
I'm fast to get away
Far

I dressed you in her clothes
So Drive Me
Far Away, Away, Away

It feels good to know you're mine
now drive me
Far Away, Away, Away

Far
Away
I don't care where Just far
Away
I don't care where Just far
Away
I don't care where Just far
Away
I don't care
