

# Crenshaw Punch / I'll Throw Rocks at You

Deftones

Remember one time I bit you on the arm  
I'm just afraid of solitude of being alone  
I want to be at your house right now  
Make you stand by the sink  
I swear to keep awake

I can show you things like fire and more  
Remember the time I kicked the TV over

For months, I'm sharing lungs  
I can't talk to her  
'Cause she'll throw rocks at me

I might never see you again  
I hope we fix and stay special 'cause still  
I ain't tryin' to start a fight  
But now, I only, I could pull you in for a moment  
I know this

That's so sweet  
Battle stations, please guard us  
Marry me, but don't lean on me  
'Cause I'll fuck you till the morning  
So stay

Gone

For months, I'm sharing lungs  
I can't talk to her  
'Cause she'll throw rocks at me

I'll be screaming and all besides  
And ? listening  
You'll know, she knows by now you don't clap  
When it comes to my music  
?

My lungs are in the top drawer  
By now I've got a lover inside of me  
As long as we sleep right now  
As long as we sleep right now

For months, I'm sharing lungs  
Now I can't talk to her  
'Cause she'll throw rocks at me  
She'll throw rocks at me

For months, I'm sharing lungs  
I can't talk to her  
'Cause she'll throw rocks at me
