

# Ghosts

Deftones

When the room is quiet  
The daylight always cold  
It seems there is something I should know  
I ought to leave but the rain it never stops  
And I no particular place to go

Just when I think I'm winning  
When Ive broken every door  
The ghosts of my life grow wilder than before  
Just when I thought I could not be stopped when my chance came  
to be king  
The ghosts of my life blow wilder than the wind

Well I'm feeling nervous  
And now I find myself alone  
The simple life is no longer there  
Once I was so sure  
Not a doubt inside my mind  
It comes and goes but leads no where

Just when I think I'm winning  
When Ive broken every door  
The ghosts of my life grow wilder than before  
Just when I thought I could not be stopped when my chance came  
to be king  
The ghosts of my life blow wilder than the wind

Just when I think I'm winning  
When Ive broken every door  
The ghosts of my life grow wilder than before  
Just when I thought I could not be stopped when my chance came  
to be king  
The ghosts of my life blow wilder than the wind
