

Lovers

Deftones

Through the air and time
We came to see her
Where the sun collides
She carried us all...

For the first time
I wish she'd come
(through the air)
I wish she'd call

And to blame our take
She'll prevail in us all

For the first time
I wish she'd come
For the first time
I wish she'd come

The more you wait...
The more you burn...
Before we break...
Through
