Not a fucking thing!
Wish you woulda said something, something!

Everything's just fine!
Everything is fine!
E-very-things fine...

You walked in it, was it like a dream?
You got in it, was it like it seemed?

I won't say nothing, nothing,
Not a fucking thing!
I just wanna say something, something!
SOMETHING!!!
And I wish one thing, one thing
Just one fucking thing!
I heard her say something,
Something, something!

Decide! Decide! Is this safe to say!?
Decide! Is that your style?

Is this just fine?
E-very-things fine!
Everything is fine!
Everything just fine!
