Deftones

It's so simple to look at every little thing I do wrong.
It's so simple to overlook every little thing I do right, right?

I think too much.
I feed too much.
I'm gone too much.
I skate too much.
I snore too much.
I'm blowin too much.
I ate too much.
I'm way too much too stuck up.

You're probably right...
...this time, but I don't want to listen.
You're probably right...
...this time, but I don't even care.

I dream too much.
I think too much.
I step too much.
Those things too much.
I am too much.
I'm pissed too much.
I need too much.
I'm not one to trust.

You're probably right...
...this time, but I don't want to listen.
You're probably right...
...this time, but I don't even care.
And if it was mine to say...
...I wouldn't say it.
And if it was mine to say...
...I wouldn't speak.

I'm blowin too much.
I think too much.
I eat too much.
My face too much.
I feed too much.
I piss too much.
I sleep too much.
I snap too often.

You're probably right...
...this time, but I don't want to listen.
You're probably right...
...this time, but I don't even care.
And if it was mine to say...
...I wouldn't say it.
And if it was mine to say...
...I wouldn't speak.
