Deftones

It's so simple to look at every little thing I do wrong.  
It's so simple to overlook every little thing I do right, right?

I think too much.  
I feed too much.  
I'm gone too much.  
I skate too much.  
I snore too much.  
I'm blowin too much.  
I ate too much.  
I'm way too much too stuck up.

You're probably right...  
...this time, but I don't want to listen.  
You're probably right...  
...this time, but I don't even care.

I dream too much.  
I think too much.  
I step too much.  
Those things too much.  
I am too much.  
I'm pissed too much.  
I need too much.  
I'm not one to trust.

You're probably right...  
...this time, but I don't want to listen.  
You're probably right...  
...this time, but I don't even care.  
And if it was mine to say...  
...I wouldn't say it.  
And if it was mine to say...  
...I wouldn't speak.

I'm blowin too much.  
I think too much.  
I eat too much.  
My face too much.  
I feed too much.  
I piss too much.  
I sleep too much.  
I snap too often.

You're probably right...  
...this time, but I don't want to listen.  
You're probably right...  
...this time, but I don't even care.  
And if it was mine to say...  
...I wouldn't say it.  
And if it was mine to say...  
...I wouldn't speak.
