You can't talk  
I'm anxious  
I'm off the walls  
I'm right here  
Just come outside  
And see it  
But pack your heart  
You might need it

I'll find a way  
I'm confused though  
But I think I can try

I will save your life  
I will save your life  
I'll try for you

You're locked up  
You exhaled  
You did it before  
And I've seen it  
Come outside  
And breath in  
Relax your arms  
And let me in

I'll find a way  
I'm confused though  
But I think I can try

I will save your life  
I will save your life  
I'll try for you

I know what to say to take you higher  
Higher  
No one else can take you higher  
But I will try

I'll find a way  
I'm confused though  
But I think I can try

I will save your life  
I will save your life  
I'll try

I'll find a way  
I'm confused though  
But I think I can try

I will save your life  
I will save your life  
I'll try  
For you
