

Royal

Deftones

Complex,
Priestess
Come down

Contact,
Reach us,
Go Wild...

I've chased your name,
I've sailed all through space
To watch this

Come down,
Teach us
The ropes...

Your concept
It keeps us provoked
Now remove your veil
And Let me light you up
I'm on your team...
Let's go...

Face to face,
Light stare
My custom made
Nightmares
Armed with teeth in fashion
Now all we need is action

Complex,
Priestess
Come down

Now contact,
Reach us,
Go Wild...

Remove your veil,
Let me light you up
I'm on your team,
I'm the antidote...

Rockets taking off...
Tonight, it's time...

TAKE ME,
I LIGHT YOU UP!
TAKE ME...
UP!
