Deftones

Floating on the water ever changing  
Picture hours out from that  
Into with all our dreams

The ocean takes me into watch you shaking  
Watch you weigh your powers  
Tempt with hours of pleasure  
Take me one more time  
Take me one more wave  
Take me for one last ride  
I'm out of my head

Tonight, Tonight  
Tonight, Tonight.. I..  
The sound of the waves collide  
The sound of the waves collide  
The sound of the waves collide  
Tonight

Cruising through the city after hours  
With me fusing all our powers  
Here's to all our  
Take me one more time  
Take me one more wave  
Take me for one last ride  
I'm out of my head

Tonight, Tonight  
Tonight, Tonight  
The sound of the waves collide  
The sound of the waves collide  
The sound of the waves collide  
Tonight
