Street Carp

It's not that I care (truly) but you're that girl (with sharp teeth) who grabs at the walls (and pulls meat down) well here's my new address 6 6 4 oh I forget it's not like I care (truly) but you're that girl (with gold teeth) who snaps at the walls (and won't calm down) well here's my new address 6 1 5 oh I forget there's all your evidence now take it home run with it now write it down did you get it? well here's my new address 6 6 5 oh I confess there's all your evidence now take it home and have fun with it Deftones
