

Almost Dead

Degradead

Dreaming, I'm lost again
Screaming, lost in the chaos and the essence of time

I am, nothing more
Nothing more than I want to be

Can't fight back
I am a failure, trying to find my way back home

Now, stuck in this time
Stay for more, you're almost dead

Pay, pay for your crime, and feel sublime
You're almost dead

Dreaming, I'm lost again
Screaming, lost in the chaos and the essence of time

I am, nothing more
Nothing more than I want to be

Can't fight back
I am a failure, trying to find my way back home
Lost the track

Now, stuck in this time
Stay for more, you're almost dead

Pay, pay for your crime, and feel sublime
You're almost dead

Lost in the chaos and the essence of time

Can't fight back
I am a failure, trying to find my way back home

Now, stuck in this time
Stay for more, you're almost dead

Pay, pay for your crime, and feel sublime
You're almost dead
