Resemblance Of The Past

Degradead

You will not be answered The question lies within Timeline has been pushed To the edge of eternity

There's no way to escape From the past no way To get out

Deliver it to them, There's no complain Deliver it to them There's no complain

Nothing has been changed Since the day that you were born It's the resemblance of the past

There's no way to escape From the past no way To get out

Deliver it to them, There's no complain Deliver it to them There's no complain

The chance of joy has disappeared Time has given in

The days are labelled with no return To an organized and normal world The chance of joy has disappeared Time has given in

Deliver it to them, There's no complain Deliver it to them There's no complain

There is nothing, nothing in this world that could stop this
