

In the Minds of Evil

Deicide

Suicide obsession in a world of betray
Taunted into silence and the bury the rage
Deep depression darkness fed pull the tigger count the dead
Contradict of faith out to devastate
Crazed disposition underling decei
Killing without reason for no cause or belief
Deadly imposition out of touch and deranged
One with god half insane
Wage of sanctity tears and agony
Ancient and bizzare satan's repertoire

In the minds of evil, fear imposed by design
In the minds of evil, kill till everything dies!!

Twisted by religion and fanatical hate
In the line of fire devastation in place
Homicidal mission of tyrannical lust
Fatal inquisition for the spilling of blood
Don't care what you've done death to everyone
It's no mystery destroy you and me.

In the minds of evil, fear imposed by his design
In the minds of evil, death to all of mankind
In the minds of evil, burn in hell and die and die

In the minds of evil, fear imposed by design
In the minds of evil, death to all of mankind
