

## Thou Begone

Deicide

I curve the air you breath all men of the cloth  
What was will never be, your cause is lost

Faith put to death civil unrest gospel of pain  
Burning the cross the good book is tossed destroy thy name  
Trinity bleed squandered in greed god in its grave...

Disposed humanity desrepid and defaced inferior and weak  
The light you seek...

Heaven deceased dead in beleif disgraced and maimed  
Church of disgust turn into rust converts refrain  
Master to none religion done scripture erased...  
Thou Begone...

Unbelieved left for dead thou begone  
Reckoning no moral compass left  
Echoing undermined god the son  
Horrified slave to a tragedy suffer in agony..die

Slave to thee under us thou begone  
Philistine efface of empty threats  
Cowering undivine god the son  
Compromise holy calamity death to hypocrisy...die
