

## Bells of Another Land

Deine Lakaïen

Why do I have to leave  
I just cannot say  
someone's calling me  
from so far away

Sometimes I hear  
the bells of another land

When I came I was dreaming  
dreams of a everlasting sun  
raised my hands for peace  
words of love on my tongue

Sometimes I hear...

The more that I was falling  
the more I felt the light  
warmed my empty body  
in an endless night

Sometimes I hear...

So I went into my garden  
watched the flowers grow  
laid myself on the warm grass  
and death came very slow

Sometimes I hear...
