

## Sometimes

Deine Lakaïen

Is there a god  
In heaven, on earth  
Do you know?  
Is there a god  
In heaven, on earth  
I don't know  
Is there a friend  
In heaven, on earth  
Do you know?  
Is there a friend  
In heaven, on earth  
I don't know

Sometimes, sometimes  
I loved someone  
Sometimes, sometimes  
Someone loved me  
That's all I know

Is there a new life  
In heaven, on earth  
Do you know?  
Is there a new life  
In heaven, on earth

I don't know  
Is there a sense of life  
In heaven, on earth  
Do you know?  
Is there a sense of life  
In heaven, on earth  
I don't know

Sometimes, sometimes ...

Are we the meaning  
Or do we live by random  
Do you know?  
Are we the meaning  
Or do we live by random  
I don't know  
Shall we be elevated  
Or pushed into the fire  
Do you know?  
Shall we be elevated  
Or pushed into the fire  
I don't know

Sometimes, sometimes ...
