

## I Ruler Of Paradise In Black

Deinonychus

Born for a destiny that has yet to come  
I search for the holy son  
He, who denied my God from the almighty throne  
His empire shall be forever gone  
In my search for the disgusting nazarene child  
Many silver-tears shall be cried.

You... disgusting nazarene  
Ah! hide! hide!  
My hate to you is eternal  
Bleed, bleed, bleed.

Thou, who tried to bring me down by Magiddo's swords  
Thy blood shall be coloured black  
Finally, when I find that nazarene childsfuck of God  
His blood will spill, lying torn, torn, torn  
Then the heavenly skies of the saints will turn black  
Sees the child hung by the neck

Now... Ruler of the Dark  
Hail! hail!  
Crush the golden gates  
Forever, forever, forever...

Silver-tears were cried...
