

# Like A Hoe

Dej Loaf

[Intro: Iceberg Slim]

Listen square-ass bitch  
I have never had a ho that i couldn't do without  
I celebrate, bitch, when a whore leaves me  
You scurvy bitch

[Verse 1]

Lately I've been under pressure  
Make me wanna put a fuck nigga on a stretcher  
They like, "Damn, why you so aggressive?"  
Cause I've been going through some things  
And I'm tired of playing with these niggas  
All this pain I done been through tryna change how we living  
Rock shows and throw them old chains in the venues  
We don't hang out the window, might aim out the window  
Keep it on the low, "DL" my initials  
Niggas be dickriders, I ain't worried 'bout competition  
Don't bring them bitches up cause on my dogs, I'll sick 'em  
Mike Jack thriller, 04/Old 4 Pistols  
Wan't beef? I'll serve a bitch that old pie dinner  
That's fireplace, we might pop up where your mama stay  
Park inside her driveway, car ain't got no license plate  
Success be like a block away, get the fuck up out my way  
How you feel, closer to my dreams like Goapele  
I'm trynna make a mill nigga, how you tryna operate?

[Chorus]

Treat a nigga like a ho  
I got what you need  
I got what you want  
Treat a nigga like a ho  
Ho, ho, ho, ho, ho  
(Treat a nigga like a ho)

[Verse 2]

I been acting up since an adolescence  
No one can tell me shit I had my own preference  
Keep them on they toes DeJ keep em guessin'  
I keep a weapon, so just keep it steppin'  
I don't like Giuseppe's, rather do Chanel  
Free Tony, I wish he had bail  
I'm switching lanes in that G-wagon  
My bae about his business but his jeans sagging  
Your bitch barely made it she a C-average  
We already won, ain't no rematches  
All my guys getting money, ant no team captains  
Take a L, bounce back gotta re-stack it  
Alright but I ain't got no weed habit  
I just gotta shoe and getting cheese fetish  
I was cooling down, now I'm revampin'  
All these bitches is my sons, got what they need daddy

[Chorus]

Treat a nigga like a ho (ho)  
Treat a nigga like a ho (ho)  
Treat a nigga like a ho (ho)  
Treat a nigga like a ho (ho)

[Refrain]
