

## To Last A Lifetime

Del Amitri

Roll down the window, let me hear the rain  
Let me hear her whispering, honey everything is OK

Cause I've had enough bad news  
To last a lifetime

Well I drove all night under a seasick sky  
And I made it by mid-afternoon  
And I hope she's home so she can hold me tight and tell me  
Everything is alright

Cause I've had enough bad news  
To last a lifetime

And I was struck by how much I remembered  
And how everything still looked the same  
When a neighbor I met in her hallway said  
"Looks like lover boy's too late again"

So take your troublesome baggage  
And put it on the last train home  
Cause you can guess somewhere else in the world right now  
Someone else feels just as alone

Cause I've had enough bad news  
To last a lifetime
