

Old Memories Mean Nothing To Me

Del McCoury

Old memories mean nothing to me
They've all gone away from me now
I'm alone in the night it's plain to see
And old memories mean nothing to me

It's the day that I'm thinkin' of
I've forgotten yesterday's love
So if you don't love me now set me free
For old memories mean nothing to me

Time has a way of passing by
Over the ruts of our lives it will fly
And if you don't love me now I can see
And old memories mean nothing to me

I know we once had a fine love
Over others you towered above
But I'm not the playful kind you can see
And old memories mean nothing to me
