

## Old Memories Mean Nothing To Me

Del McCoury

Old memories mean nothing to me  
They've all gone away from me now  
I'm alone in the night it's plain to see  
And old memories mean nothing to me

It's the day that I'm thinkin' of  
I've forgotten yesterday's love  
So if you don't love me now set me free  
For old memories mean nothing to me

Time has a way of passing by  
Over the ruts of our lives it will fly  
And if you don't love me now I can see  
And old memories mean nothing to me

I know we once had a fine love  
Over others you towered above  
But I'm not the playful kind you can see  
And old memories mean nothing to me
