

Are You Loving Me

Del Shannon

I lay here every night
You're dancing in my sleep
You walk into a room
And I can hardly speak
Don't you know what I've been thinking
If you don't know I'll tell you now
When you speak I hear angels singing
I can see it when I look into your eyes.

Than I wanna hold you
I wanna be with you
I'm in love with you are you lovin' me
Too?

I don't know
What it is but when you
Started comin' around
I took one look at you
Now my feet ain't touchin' the ground
I think you know what I've been feelin'
Do you feel the same way
Too
Do you feel the way my heart is beatin'
Can't you see it when you look into my eyes?

I know there's something in your heart to me
You know you can't deny the things you see
So come to me
