

## Keep Searchin' (We'll Follow the Sun)

Del Shannon

No one will understand what I've gotta do  
I've gotta find a place to hide with my baby by my side  
She's been hurt so much, they treat her mean and cruel  
They try to keep us far apart, there's only one thing left we can do

We gotta keep searchin', searchin', find a place to hide  
Searchin', searchin', she'll be by my side  
If we gotta keep on the run, we'll follow the sun-ah, whee-ooh  
Follow the sun-ah, whee-ooh

Doesn't matter, doesn't matter what people might say  
She's mine, and I'm gonna take her anyway

Gotta keep searchin', searchin', find a place to stay  
Searchin', searchin', every night and day  
If we gotta keep on the run, we'll follow the sun-ah, whee-ooh  
Follow the sun-ah, whee-ooh

We gotta keep searchin', searchin', find a place to hide  
Searchin', searchin', she'll be by my side  
If we gotta keep on the run, we'll follow the sun-ah, whee-ooh  
Follow the sun-ah, whee-ooh  
Follow the sun-ah, whee-ooh  
Follow the sun
