

# The Search

Del Shannon

I'll climb  
Mountains high  
I'll find  
That by and by  
I left her  
For another love  
Oh how blind can anyone be?

I'll search  
Valley low  
To her  
My love I'll show  
She gave  
The truest love to me  
I deserted and now I must pay

I pray  
For her return  
Till then  
My heart will burn  
I've paid  
For all the wrong I've done  
Oh heavens please show me the way
