

The Search

Del Shannon

I'll climb
Mountains high
I'll find
That by and by
I left her
For another love
Oh how blind can anyone be?

I'll search
Valley low
To her
My love I'll show
She gave
The truest love to me
I deserted and now I must pay

I pray
For her return
Till then
My heart will burn
I've paid
For all the wrong I've done
Oh heavens please show me the way
