

## April Rain

Delain

How does it feel when all you're counting on is scatterbrained  
Every wind that you have sailed upon, a hurricane  
Every summer you have seen was filled with April rain  
It doesn't get easy, don't you know

Fortune smiles on you  
You're not watching, dig that hole deeper  
Fortune smiles on you  
You're not watching, create your own fate

Count your blessings and prepare to change your point of view  
All those days that you spend waiting won't come back to you  
Take off the glasses that have treated your world black and gre  
y  
It doesn't get easy, don't you know

Fortune smiles on you  
You're not watching, dig that hole deeper  
Fortune smiles on you  
You're not watching, create your own fate

Keep raining 'cause we are blind  
Keep raining 'cause we are tired  
Keep raining 'cause we are blind to fortune's guidance now

It keeps raining, 'cause we are blind  
It will keep raining, 'cause we are tired  
It keeps raining, 'cause we are blind oh  
It will keep raining 'cause we are tired

Fortune smiles on you  
You're not watching, dig that hole deeper  
Fortune smiles on you  
You're not watching, create your own fate
