

My achievements seem so humble  
While you're making wine from water  
While my hands work the cold soil  
All you touch turns into gold

And I don't want to be like you  
I don't want to be like you  
It seems like you outrun me every time  
I don't want to be you  
Why can't I erase you from my mind

All the heroes in the gutter  
Finally get their ever after  
As they lay their final glance  
Upon your ever shining armor  
And I don't want to be like you  
And I don't want to be like you  
I don't want to be like you  
It seems like you outrun me every time  
I don't want to be you  
Why can't I erase you from my mind

Looking from a distance,  
the difference seems so small  
Has the grass been greener  
on the other side at all?

I don't want to be like you  
I don't want to be like you  
It seems like you outrun me every time  
I don't want to be you  
Why can't I erase you from my mind
