

We Are the Others

Delain

I'm walking with Sophie tonight
She lives in the air that I breathe
I can't get it out of my mind
How you were left to bleed...
Was it how you dress?
Or how you act?
I can't believe
How they could act so violently
Without regret
We will not forget...

We are the others
We are the cast outs
We're the outsiders
But you can't hide us
We are the others
We are the cast outs
You're no longer on your own
If you feel mistreated
Torn and cheated
You're not alone
We are the others
(We are the others)

As simple as air in your lungs
As simple as words on your lips
And no one should take that away
No one should have killed this
Now with our heads up high
We'll carry on
And carry out
And we won't let them get us down
Wear us out
'Cause we are not alone...

Normal is not the norm
It's just the uniform...
(We are the others)
Forget about the norms
(We're the outsiders)
Take off your uniform
(We are the others)
We are beautiful
(We are the others)

We are the others
We are the others
