## We Are the Others

I'm walking with Sophie tonight
She lives in the air that I breathe
I can't get it out of my mind
How you were left to bleed...
Was it how you dress?
Or how you act?
I can't believe
How they could act so violently
Without regret
We will not forget...

We are the others We are the cast outs We're the outsiders But you can't hide us We are the others We are the cast outs You're no longer on your own If you feel mistreated Torn and cheated You're not alone We are the others (We are the others)

As simple as air in your lungs As simple as words on your lips And no one should take that away No one should have killed this Now with our heads up high We'll carry on And carry out And we won't let them get us down Wear us out 'Cause we are not alone...

Normal is not the norm It's just the uniform... (We are the others) Forget about the norms (We're the outsiders) Take off your uniform (We are the others) We are beautiful (We are the others)

We are the others We are the others Delain
