

## Girl's On Fire

Delays

Never thought I'd see her smile  
Yeah the girl is on fire  
Never thought I'd see her smile  
Yeah the girl is on fire

Well alright, alright, alright  
I'm coming round today  
Well alright, alright, alright  
I'm coming round today

Never thought I'd see her smile  
Yeah the girl is on fire  
Never thought I'd see her smile  
Yeah the girl is on fire

Well alright, alright, alright  
There's so much more to say  
Well alright, alright, alright  
There's so much more to say

Never thought I'd see her smile  
Yeah the girl is on fire  
Never thought the time was right  
Yeah the girl is on fire

Coz we stayed out too long  
Playing in the sun fire in your eyes  
Fire in your eyes, yeah we stayed out  
Too long playing in the sun  
Fire in your eyes, fire, fire, fire, fire

Never thought I'd see her smile  
Yeah the girl is on fire

It's in your eyes, it's in your eyes
