

Over And Out

Delays

We made a picture We made a picture But you never change
And you never smile
We made a picture We made a picture But you never change
And you never smile
But you go
You go
Yah you go
Anyway

But you've been out today
And there's nothing more to say
Except were over and out now Yah were over and out now
But we've been out today
And there's nothing more to say
Except we're over and out now Oh yah were over and out now

Yah we made a picture We made a picture But you never change
And you never smile
We made a picture We made a picture But you never change
And you never smile
Yah you go
You go
Yah you go
Anyway

But you've been out today
And there's nothing more to say
Except were over and out now Yah were over and out now
Well we've been out today
And there's nothing I can say
Except we're over and out now Oh yah were over and out now
Yah we're over and out now
