

A Fool In Love

Delbert McClinton

People say I'm a lion at heart but they don't know what
I am
People say that I stand apart but they just don't
understand
Every night when the darkness falls
I'll be there at your beck and call

I'm a fool for you, baby
I'm a fool right now
I'm a fool for you baby
I'm a fool in love

People say I'm a man of means but my pants are full of
holes
People say I'm a holy child but I'm rich down to my
soul
All I need is you close beside me
All I need is to satisfy you

I'm a fool for you, baby
I'm a fool right now
I'm a fool for you baby
I'm a fool in love

Every morning when the sun comes up
And all your dreams slip away
I see your face and I understand
You're the only one can make my day

Everybody say you ain't no good
But I won't believe it's true
They all say I ought to find someone
But my heart belongs to you
Every night when the darkness falls
I'll be there at your beck and call

I'm a fool for you, baby
I'm a fool right now
I'm a fool for you, baby
I'm a fool in love
