

Bright Side Of The Road

Delbert McClinton

From the dark end of the street
To the bright side of the road
We'll be lovers once again
From the bright side of the road

Little darling come with me
Help me share my love
From the dark end of the street
To the bright side of the road

Into this life we're born,
Baby, sometimes, sometimes we don't know why
And time seems to go by so fast, baby
And the twinkling of an eye

Let's enjoy it while we can
Help me sing my song
From the dark end of the street
To the bright side of the road

Into this life we're born
And baby, sometimes, sometimes we don't know why
And time seems to go by so fast, honey
And the twinkling of an eye

Let's enjoy it while we can
Help me sing my song
Little darling come with me
On the bright side of the road
