

# Can I Change My Mind

Delbert McClinton

She didn't bat an eye  
As I packed my bags to leave  
Thought she would start to cry  
And sit around my room and weep

But, oh, the girl, she fooled me this time  
She acted like I was the last thing on her mind  
I would like to start all over again  
Baby, can I change my mind?  
I just want to change my mind.

As I took those steps toward that open door  
Knowing all the time, oh, Lord, I just didn't want to  
go

But she didn't give me no sign  
Nothin' that would make me change my mind  
Lord, I would like to start all over again  
Please, please, please baby  
I just want to change my mind.

Oh, I played my games many times before  
But people let me tell y'all, oh I never reached the  
door  
Oooh, the wind is high out tonight  
I keep looking back but my baby's not in sight  
I would like to start all over again  
Baby, can I change my mind?  
Oh, I'm so sorry, please let me change my mind.

Please, please please baby, let me change my mind  
I want to start all over, start all over
