

Cease And Desist

Delbert McClinton

You got to cease and desist
You got to stop drivin' me crazy like this
I'm out of my mind most of the time
Now give me just one more kiss
I've got a job to go to
I can't just stay around here and fool around with you
I'm runnin' late so it's gonna have to wait
Baby, I'm beggin' you...
You know I love you baby with all my heart
You know I can't stop if I ever start
I got to be goin', but when I get back home
I'm gonna love you all night long
Now with the weekend here
48 hours of beein' close to you
You can talk that baby talk
And I'll do anything you want to do
