

Have A Little Faith In Me

Delbert McClinton

When the road gets dark
And you can no longer see
Just let my love throw a spark baby
And have a little faith in me

And when the tears you cry
Are all you can believe
Just give these loving arms a try baby
And have a little faith in me

Have a little faith in me
Have a little faith in me
Have a little faith in me
Have a little faith in me

When your secret heart
Cannot speak so easily
Come here darlin'
From a whispered start
To have a little faith in me

And when you're back's against the wall
Just turn around and you will see
I will catch you, I will catch your fall baby
Just have a little faith in me

Have a little faith in me
Have a little faith in me
Have a little faith in me
Have a little faith in me

Well, I've been loving you for such a long time girl
Expecting nothing in return
Just for you to have a little faith in me
You see, time, time, is our friend
'Cause for us there is no end
And all you gotta do is have a little faith in me
I said I will hold you up, I will hold you up
Your love gives me strength enough
So have a little faith in me.

All you got to do baby
All you got to do
Is just have a little faith in me.
